Yes Selena, we are approved, so you may go ahead and order the shirts. Please send me a confirmation of the order and the specifics - number, color, type, etc - so I can track that we are on the same page throughout.

The Executive Director of the Hollywood Media District BID, Lisa Schechter, assured me there's no hurry on this, but I did tell her that it could be done within the 7-14 day window you mentioned. Our next meeting will be December 15th, and it would be great if we could hand them over to the Director of HBT at that meeting, so maybe you and I could arrange for me to pick up the finished shirts from you in time for that.

The BID will be dark thru the Thanksgiving holiday weekend, but we will take up any details at the start of next week. Let me know if there's any information you need or if there's any way I can be of help.

Thanks very much, I appreciate your timely assistance with this.

Lisa,

Per our phone call, I am forwarding your email with the information for the HBT Clean Team shirts to Selena at Pinpoint Industries. Selena did great work for us when I was running the Athletic Merchandise sales for the La Salle High School Athletic Boosters. I'm sure we can expect exemplary service as always.

I do have one question. I was of the understanding that the shirts would only be printed on the back, however I see one of the graphics, the logo, says it's for the front pocket. is that correct or was that changed? If we need to put both on the back I'm sure we'll need to include that in the mock-up for approval. You and I can follow up on Monday after the holiday, work out these details, set the date for delivery, etc.

If you need to contact Selena I've included her contact information below,

Selena - Pinpoint Industries

Thanks Lisa for your help, and thanks in advance Selena for helping us outfit HBT in style.

If anyone needs to reach me in re this project, please don't hesitate to call me or text me if it needs immediate attention.

Thanks again,
